Exhibit A

Rule 5012. Communication and Cooperation With Foreign Courts and Foreign Representatives

Except for communications for scheduling and administrative purposes, the court in any case commenced by a foreign representative shall give at least 20 days' notice of its intent to communicate with a foreign court or a foreign representative. The notice shall identify the subject of the anticipated communication and shall be given in the manner provided by Rule 2002(q). Any entity that wishes to participate in the communication shall notify the court of its intention not later than 5 days before the scheduled communication.

COMMITTEE NOTE

This rule is new. It implements § 1525 which was added to the Code in 2005. The rule provides an opportunity for parties in the case to take appropriate action prior to the communication between courts or between the court and a foreign representative to establish procedures for the manner of the communication and the right to participate in the communication. Participation in the communication includes both active and passive participation. Parties wishing to participate must notify the court at least 5 days before the hearing so that ample time exists to make arrangements necessary to permit the participation.
